

Ancient Future guitar-sitar jugalbandi

Matthew Montfort

One of India's finest classical artists, described as the "Jimi Hendrix of the sitar" by L'ORIENT LE JOUR, Beirut

"Conjures lovely Asian zither-like riffs with a scalloped fretboard guitar" - GUITAR PLAYER MAGAZINE

Pandit Habib Khan

"Jugalbandi" is a classical North Indian musical duet (literally "tied together"). One could think of jugalbandi as India's precursor to America's "dueling banjos" format. A project of the pioneering world fusion music ensemble Ancient Future, their Guitar-Sitar Jugalbandi program could be described as a face-to-face "fret-off" between guitar and sitar, refereed by tabla and santur. They have performed to rave reviews from Beirut, Lebanon, to the Mumbai Festival in India.

The Guitar-Sitar Jugalbandi is accompanied by Arshad Syed (tabla)

He also performs with the Zakir Hussain Rhythm Experience and top Indian classical musicians
