Dear Matthew,

Please accept my belated thanks and appreciation for the terrific show Ancient Future performed for the Bainbridge Island Park & Recreation District on April 15, 2005. Your group was very professional, prompt, courteous, cooperative and great to work with in every way. The music was culturally unique and educational, and was greatly enjoyed by the audience. I would highly recommend Ancient Future for any venue, large or small, indoors or outdoors, and would be most happy to act as a reference if that would be helpful.

Again, thanks for a terrific show!!

Sincerely,

Georgia Browne
